

CAPABILITIES STATEMENT

One subcontractor. Multiple divisions. One COI.

A self-performing subcontractor built to simplify your bid list. We deliver multiple CSI divisions under one contract, one insurance certificate, and one point of contact — reducing sub count, RFIs, and schedule risk on Louisiana and Gulf South projects.

OPERATING DIVISIONS

CRC // Low Voltage AVL

Div 27 00 00

Structured cabling, audio-video, lighting controls, access control, CCTV, fire-alarm coordination, and commissioning.

CRC // Finishes

Div 09 00 00

Metal framing, gypsum board, acoustical ceilings, wall coverings, FRP panels, painting, and high-performance coatings.

CRC // Insulation

Div 07 21 00

Spray foam, batt/blanket and rigid board insulation, air/vapor barriers, firestopping, and joint sealants.

CRC // Sanitation

Div 01 74 00

Recurring jobsite sanitation, restroom servicing, hand-wash stations, and approved waste disposal.

CRC // Concrete

Div 03 00 00

Cast-in-place concrete, formwork, decorative and polished finishes, repair, sealing, and protective coatings.

CRC // Earthwork

Div 31 00 00

Site clearing, grading, excavation, trenching, backfill, erosion control, soil treatment, and rip-rap.

CRC // Logistics

Div 01 50 00

Equipment staging, dock management, load-in/load-out coordination, and project material flow.

CRC // Trash Titans

Div 02 41 00

On-site trash hauling, debris removal, dumpster swap-outs, and ongoing jobsite clean-up labor.

WHY GCs CHOOSE CRC

- One sub. One COI. 8 CSI divisions.
- Self-performed crews. Owned equipment. No middle-man markup.
- Fast bid turnaround with in-house takeoff & estimating.
- Prompt on addenda, RFIs, submittals, and change orders.
- LA licensed & insured. EMR-compliant. Project-specific safety.
